AT HANMER SPRINGS

Take time out with that someone special to relax and enjoy a fine music performance of Vivaldi's Four Seasons Concerto; set amongst the picturesque backdrop of the grandeur of Spanish architecture and splendour of surrounding mountains. This special one off performance is to be held in the magnificent auditorium of the Ballroom of the iconic Hanmer Springs Hotel on Sunday 12 May at 2.30pm; it will be a classical masterpiece not to be missed!

The highlight of the afternoon show will be internationally renowned Cathy Irons String Quartet of Christchurch on stage serenading the 100+ live audience to the Fine Music Performance of Vivaldi's Four Seasons Concerto. They will also perform popular works by Mozart, Borodin & others.

Proceeds from the gala charity performance will go to the purchase of Mobility Wheelchairs for the local Hanmer Springs Health Centre's elderly patients. They will also assist in contingency operational expenses for services related to the free medical Hanmer Springs Community Car.

We would like to thank all valuable assistance and sponsorship that has ensured the event is here at North Canterbury's popular Alpine Village.
